

CS 301: Data Structures and Algorithms - Office Hours and Contact Info

Instructor Contact

Email: instructor@university.edu (best for course questions; responses within 24-48 hours on weekdays).

Office: ENG-310. Office hours: Tuesday 1-3 PM.

Teaching Assistants

TA office hours are posted on the course website and rotate weekly. TAs hold sessions in the Computer Lab 3 study area, Monday and Thursday evenings, 6-8 PM.

Discussion Forum

Use the course forum (linked on the course website) for general questions so other students can benefit from the answer. Do not post code solutions publicly before the deadline.

Emergency Contact

For urgent, time-sensitive issues (e.g., illness before an exam), email the instructor directly with 'URGENT' in the subject line.
